

# Vigor 530 USB2.0 Adapter

## Quick Start to Wireless Networking

---

### 1 Installation

1. **Insert the installation CD.** It automatically starts the setup program for software installation.

2. **Follow the installation wizard** to complete the software installation process (restart your computer if necessary).
3. **Connect the Vigor 530 USB 2.0 Adapter** to your PC/notebook PC.

**NOTE!** Please use USB extension cable to connect the Vigor 530 USB 2.0 Adapter with your PC/Notebook during normal operation.

4. Operation System will detect new device and verify the driver automatically.

**NOTE!** *During installation procedure, each operating system may prompt different specific options:*

**Windows 98SE:** The system will request the original Windows CD during the installation process. When the installation is finished, you'll have to restart your computer.

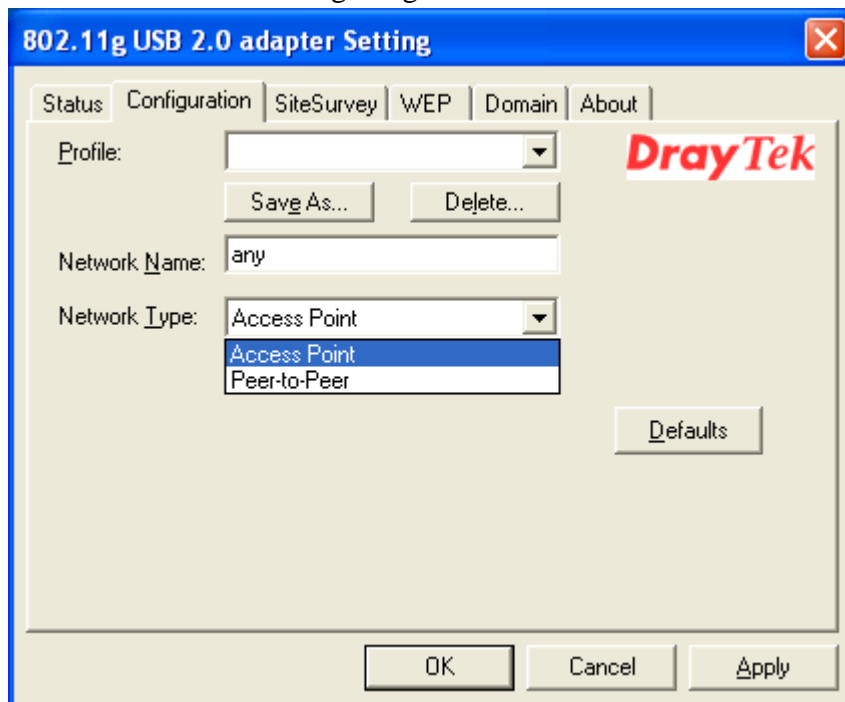

**Windows Me:** Please restart your computer when the installation is finished.

**Windows 2000/XP:** Select "Install the software automatically" when the window with this option appears, and then click "Next" to continue installation.

**NOTE!** *In Windows XP, it is recommended that you use the Vigor 530 USB2.0 adapter Setting. Please check User's Manual Chapter 3.1.2 to disable the Zero-Configuration before opening the Setting window.*

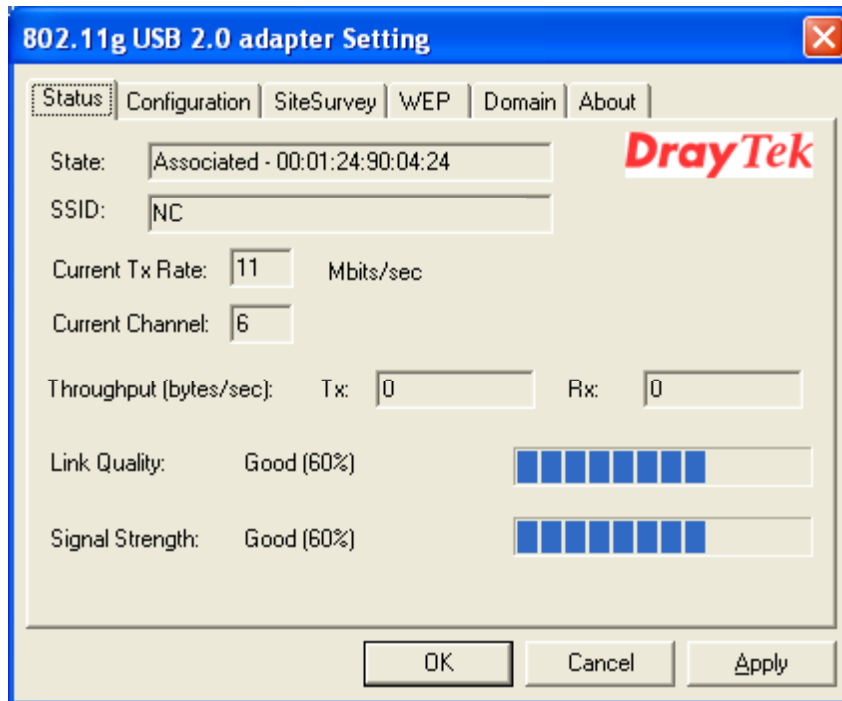

## 2. Connecting to an Existing Network

1. Double click on the shortcut icon or go to windows **Start > Programs > Vigor 530 > Vigor 530 USB2.0 adapter Setting** to open the Setting window. You can also see a small link-status icon  in Windows System Tray.
2. Key in “any” for Network Name and click “Apply”. The **Vigor 530 USB2.0 adapter** will search an available network automatically. Once connected, the link-status icon will change to green .

3. If you would like to connect with certain Access Point, you may contact with network administrator for Network Name.

- 4 Go to “**Status**” Tab to view network link status.

- 5 For details of each tab in Vigor 530 USB2.0 adapter Setting, please read User's Manual Chapter 4.
